

WELCOME

To Your First Year In Business

Dear Workshop Attendee,

Thank you for joining *Your First Year in Business*.

Starting a business is exciting, but it can also feel overwhelming. This workshop has been designed to help you build the right foundations from day one, giving you practical guidance that will support your business as it grows.

Inside this virtual toolkit you'll find resources to complement the workshop, including your workshop handout, helpful reference material and practical tools that you can return to whenever you need them.

Remember, building a successful business isn't about knowing everything from the start. It's about making informed decisions, staying compliant and creating good habits that will serve your business for years to come.

I hope you enjoy the workshop and find these resources valuable as you begin your journey.

I look forward to working with you.

Warm regards,

Nicole
